**Attachments:** 11-1-15-Administrative Order Prel Report-Local Limits Part 10-22-2015 Final.pdf

Jim,

As mentioned in an earlier email, I am transmitting a copy of the Local Limits Preliminary Report as required in Paragraph B of the subject EPA Order. Be advised a hard copy along with requested background material is being sent by Federal Express.

Let me know if you have any questions regarding this preliminary report. The City of North Las Vegas continues to meet the milestone schedule provided in the EPA Order.

Randy
